5 – Point Questions

Read the text. For each space (21-30), choose the best answer.

The Many Spider-Men

Everybody (21) familiar with superheroes nowadays, with tens of movies and TV shows premiering almost every week. One of the most recognizable figures is none (22) than Spider-Man, the teenage wall-crawler who has entered the hearts of fans everywhere ever since his first appearance in 1962. Created by the great Stan Lee, he now serves (23) Marvel's poster boy and is currently portrayed by the rising star Tom Holland. But that wasn't always the case.

Throughout the years, many actors (24) taken on the mantle of the web-slinger in various adaptations, both on the big and the small screen. Starting with 1967, many animated adaptations had been produced, (25) multiple actors dubbing the voice of 'Spidey'. That all changed in 2002 when Tobey Maguire was cast as Peter Parker/ Spider-Man in the first live action take on the superhero's story. He enjoyed quite a lot of success and even (26) this day many, more nostalgic people who grew up with Maguire's films, still see him as the perfect Spider-Man.

A few years after the initial trilogy ended, Andrew Garfield (27) in and was chosen to portray the angsty high-school student turned superhero. With a darker mood and a totally different spin to the character, Garfield only lasted 2 years as Spider-Man, before the hero took a well-deserving break from the spotlight.

18th INTERNATIONAL KANGAROO LINGUISTIC CONTEST 2021

Cadet Level (Class 7 & 8)

Time Allowed: 60 minutes

Eventually, a fellow British actor joined the group, as Tom Holland, the youngest of the three actors, was chosen by Disney as the one to keep the (28) going. And so he did. He has now appeared in five films as the 'web-head' and doesn't seem to stop anytime soon.

Even though the three actors who portrayed Spider-Man couldn't be (29) different, they have shaped up the past, the present and most (30) the future of this beloved superhero who is certainly here to stay.
