Ramona's town

My town is big and many people call it a city. Of course, it is not a city because it doesn't have all the things you find in a city. We have some old buildings in our town and they are very beautiful. We also have many new buildings and some are also beautiful but some are ugly. My friends at school say that all the buildings in our town are beautiful but I don't think they are. We have a lot of parks in my town. There are three parks in the centre and two near the river. Also we have a very big park near my house which is not in the centre of the town. Oh, I forgot there is also a small park near my cousin's house. It is not a noisy town and not very busy. I hope you come and see my town one day.
